PURE UP
Push Pop UP

ALVEUS

We extended the kitchen sink family PURE with
NEW model Pure Up 70,

and added one more high-end element
to already elegant and clean design of the family.

Push Pop-Up siphon.

Push Pop-Up button and drainer plate are not only functional but with its clean lines and smooth surface they give your kitchen sink a high-end and prestigious look. To make the look of your kitchen sinks perfect we added an aesthetically hidden overflow.
